

DIRECT ELECTION SABOTAGE:
**Partisan Authority to
Change Election Results**

States where legislators have introduced bills in 2021 that would allow partisan officials to change or overturn election results.

● Bill introduced in state legislature

Source: The Brennan Center for Justice

The racist assault on our vote reached a dangerous tipping point in 2021 as state legislatures brazenly introduced [at least 10 bills](#) in seven states during the 2021 legislative session that would have directly empowered partisan officials to reject or overturn election results.
